

EDUCATION & TRAINING

At Youth Futures we believe that education is the key to opportunity. We also understand that mainstream school isn't for everyone.

Anchor Point offers young people an alternative to traditional high school. Students are provided with a flexible environment, working at their own pace, where they can complete their education, while getting any extra tailored support needed to reach their potential. This includes a large focus on personal development, literacy and numeracy, work readiness and health and wellbeing.
