

EDUCATION & TRAINING

At Youth Futures we believe that education is the key to opportunity. We also understand that mainstream school isn't for everyone.

FLEXIBLE & SUPPORTIVE ENVIRONMENT

Anchor Point offers young people an alternative to traditional high school. Students are provided with a flexible environment, working at their own pace, where they can complete their education, while getting any extra tailored support needed to reach their potential. This includes a large focus on personal development, literacy and numeracy, work readiness and health and wellbeing.
